The cover features a large, stylized graphic of a vinyl record. The record's grooves are represented by concentric circles and radial lines. In the center of the record is a circular area containing the word 'Marquette' and a bear illustration. To the left of the record, a mechanical arm, resembling a record player's tonearm, is shown with a stylized starburst of dots at its tip. The background is a black and white checkerboard pattern.

# VOLLEYBALL

Lisa sets it up as Kelli prepares to make her move

Throughout the year we set and accomplished many goals. We believed in ourselves and each other as we worked as a team. We all had fun this year. As a special event, we set up tournaments within our team; Not only did this help improve our game, but it also improved relationships among team members.
